

**LESSON 12 - (For HUMAN SOULS) Saying Goodbye to the Human Karmic Wheel of Life with the Assistance of Archangel Michael and saying Hello to your Universal Cosmic Self!**

Let us then begin with a very simple and straight forward final step in releasing you from the Karmic Wheel of Life. The steps are as follows:

Take a candle (any candle will do) light it and now imagine and to fully see yourself surrounded by the blue/violet light, as if you are finding yourself sitting in a circle. Put the candle in front of you look into the candle and begin to chant AA Michaels' Name.

I have received these directions from Arch Angel Michael where he advised that as you sit with the candle in front of you, you are to repeat the following words.

“Michael I implode you to release me from all the karma that I have accumulated from my past lives and from the present one as well.

I forgive all of my enemies, and I ask that they send their forgiveness to me as well.

For I know that there is no separation between us, for I know we are all one and the same.

For as I forgive myself, I forgive them, and they forgive me, and I am forgiven.

I am thus, asking you to release me from any and all karma that is associated with my being, that is associated with my soul, for I am now free.

For I am now completely free and cleansed from all the negativity and all the karma that I have picked up throughout my journey here on earth and in other realms of existence.
